01.10.2017

**Sponsored by  
His Holiness the 14<sup>th</sup> Dalai Lama and the Archbishop of  
Luxembourg, Jean-Claude Hollerich**

***"InterFaith – Run for a United World a.s.b.l."  
invites you to the 10<sup>th</sup> international run by order members and representatives  
of the world's religions as part of the ING Night Marathon Luxembourg"  
on 12 May 2018***

**The InterFaith project celebrates its 10<sup>th</sup> birthday  
Greetings are expected from our sponsors**

This annual rendezvous of religions was not a flash in the pan: right from the start, it has been borne by the commitment and enthusiasm of our organisers, members and host families. The combination of sport, religion and hospitality has flourished in Luxembourg; but above all the atmosphere of the weekends of encouragement and enthusiasm has unfolded for a world enriched by diversity. At the same time, the InterFaith project has opened eyes to a global reality which the media have largely obscured: there are many bridge-building projects worldwide in which people are committing themselves to living together peacefully.

**From 11-13 May 2018, once again, we are expecting Bahais, Buddhists, Christians, Hindus, Jews, Muslims and Sikhs,** with inter-faith teams and half and full marathon runners demonstrating with body and soul that the way to peace is one we can only walk together.

**The prayers for peace of the world's religions, visiting a religious community locally and the hospitality of Luxembourg host families** will offer opportunities for inspiring meetings once again and other things.

**International peace network**

InterFaith-Luxemburg continues to expand our European contacts and regularly cultivates relations with Japan and the InterFaith community in Seattle (USA). First contacts with the Jerusalem-Marathon have been made.

**Creating an important key to peace between religions**

Intercultural education can promote tolerance worldwide: which is why InterFaith supports the teaching commitment of the **Global Ethics Foundation**.
